

Biofix-40

Nutritious mini pellets containing Biotin, Zinc, Vitamins
& Trace Elements to promote healthy hooves

- Balanced mix of Vitamins, Minerals & Trace Elements
- 40mg of Biotin daily
- 100g daily feed rate
- Competition Safe

MINI PELLET HOOF NUTRITION FORMULA:

- ✓ Daily rate contains 40mg of **Biotin**, essential for Keratin production and the maintenance of overall hoof condition, and proven to assist with the hardening of the hoof horn.
- ✓ **Collagen Matrix** provides essential support to tendons, muscles & cartilage.
- ✓ Hoof integrity and the elasticity of connective tissues is further supported by the addition of **Copper, Manganese & Vitamin C**.
- ✓ Also includes high levels of **Zinc** to aid the maintenance of Keratin and provide essential support for hoof quality and hardness.
